Payee Leave Transfer - To a new Payee Leave Rule

1. To transfer a Leave Balance from one Payee Leave Rule to a new Payee Leave Rule, populate the following required fields to provide the base details of the Leave Transfer:
 - a. Select a Payee Leave Rule in the **From Payee Leave Rule** field that you need to transfer the Leave balance from (See Figure 4).
 - b. The Balance field will populate automatically with the current available balance. You can manually override the **Balance** value if not all of the balance should be transferred.
 - c. Select New Payee Leave Rule option under the **To Payee Leave Rule** picklist.
 - d. Upon selecting the New Payee Leave Rule option, a new field named **New Leave Rule** will appear in the right hand side column. Select a Leave Rule from the picklist values available.
 - e. Enter the **Effective Date**, which will become the Effective Date for the New Payee Leave Rule.
 - f. Enter the **Expiry Date** for the Old Payee Leave Rule (if the old Payee Leave Rule needs to be expired) and click **Save**.
