

Create an Employee - Contact

Purpose

The purpose of this quick reference guide is to step through the process of setting up an Employee. The intended audience for this document is System Administrators / Standard Users.

The Employee record contains the contact details and personal information of an Employee. The information within the Employee record will be used during various functions, including the Single Touch Payroll lodgements.

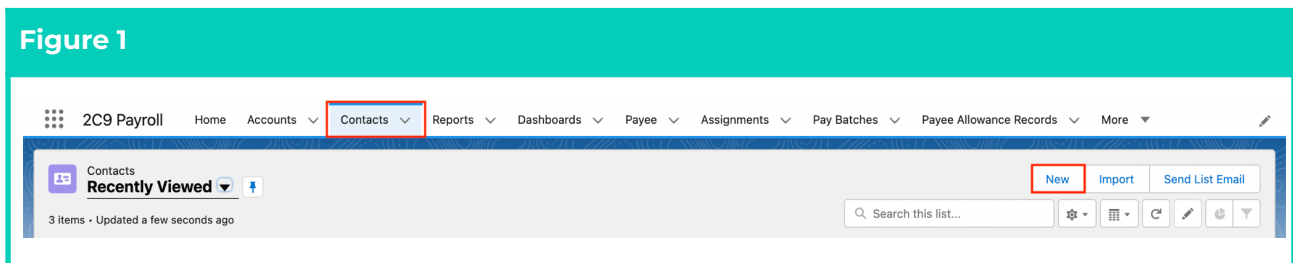

Steps

Create a new Employee record

To create an Employee record, follow the steps below:

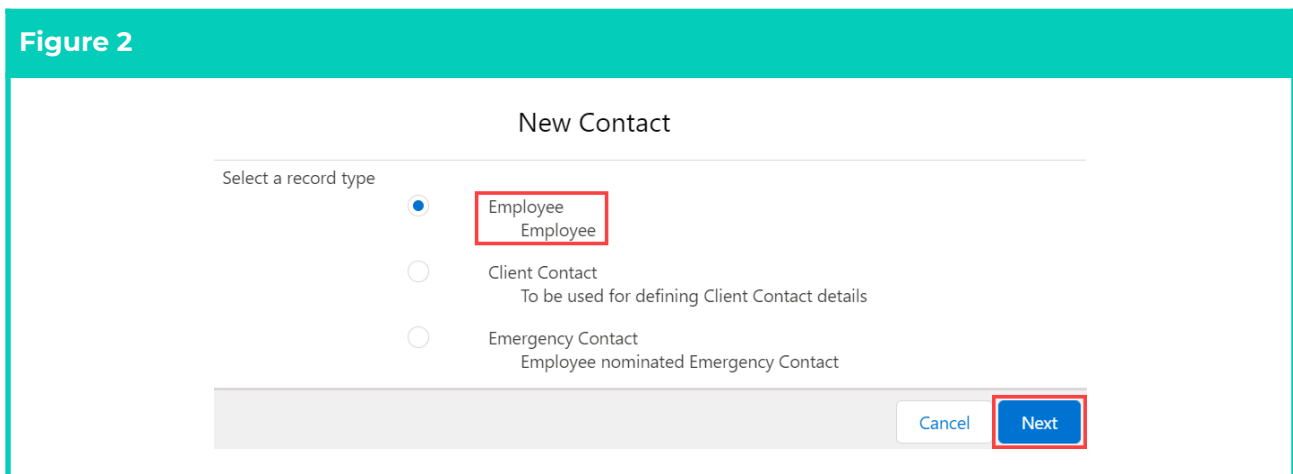

1. Go to the **Contacts** object and click on the **New** button (see Figure 1).

Figure 1

2. Select the **Employee** Record Type from the picklist options and click the **Next** button (see Figure 2).

Figure 2

3. Populate the following required fields to provide the base details of the Employee: (see Figure 3)
 - a. **First Name**
 - b. **Last Name**
 - c. **Birthdate**
 - d. **Account Name**
 - e. **Email**
 - f. **Pay Advice Email Address**
4. To provide additional details about the Employee and to update notification settings, populate the following optional fields:
 - a. **Salutation**
 - b. **Title**

Create an Employee - Contact

- c. **Description**
- d. **Is Approver (checkbox)**
- e. **Primary Payee Record**
- f. **Alternative Email**
- g. **Phone**
- h. **Mobile**
- i. **Approver Community**

(Note: The map shows Parramatta Park and Parramatta River.)

Important Notes

(Primary Payee)

Once a Primary Payee is created relating to a Contact record, the field Primary Payee will be automatically populated with the appropriate Primary Payee record.

Employee records CANNOT be deleted if they have related records or are used in other records. Deleting records is not recommended unless absolutely essential.

- To modify an existing Employee record, open the required record and select the Edit button available on the top right side of the page. You can also double-click in any of the fields that need editing, or just click on the pencil icon  that appears within fields when you move your cursor over the field.
- When complete, click on the Save button.

Field Descriptions

Field Name	Description
Account Name	The related Account name (typically an organisation or entity).
Alternative Email	The alternative email address of the Employee.
Approver Community	Defines the Approver Community that the Approver will use. This value is used in generating the Approver Link Token.
Birthdate	The Employee's date of birth. This date can not be greater than 120 years.
Description	The optional description related to the Employee.
Email	The email address of the Employee.
Exp Claim Reminder Notification Opt Out	Identifies if the Employee has opted out of having email notification advising of their Expense Claims approval sent. If True, emails will not be sent.
Expense Claim Notification Email	The email address of the Employee to receive expense claim-related notifications.
Is Approver	This checkbox is used to enable the Approver Audience settings for Communities.
Mailing Address	The postal address of the Employee.
Mobile	The mobile number of the Employee.
Name	The name given to the new Employee record.
Other Address	The other address of the Employee.
Pay Advice Email Address	The email address of the Employee to receive pay advice.
Phone	The phone number of the Employee.
Primary Payee Record	The Payee record that is considered as primary for the given Employee record.
Leave Notification Email	The email address of the Employee to receive leave-related notifications.
Leave Reminder Notification Opt Out	Identifies if the Employee has opted out of having email notification reminding them to submit their Leave. If True, emails will not be sent.
Timesheet Notification Email	The email address of the Employee to receive timesheet-related notifications.
Timesheet Reminder Notification Opt Out	Identifies if the Employee has opted out of having email notification reminding them to submit their Timesheets. If True, emails will not be sent.
Title	The title used for the Employee.
