

Purpose

The purpose of this quick reference guide is to step through the process of creating Re-Invoices from a Credit Note. The intended audience for this document is System Administrators / Standard Payroll Users.

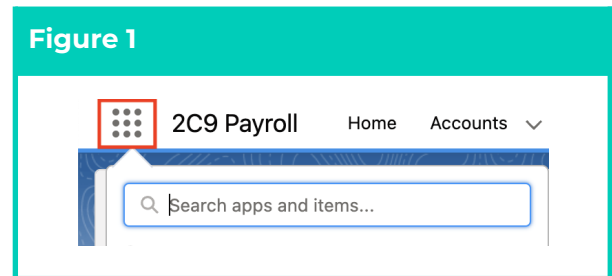

Steps

Create Re-Invoices

To create a Re-Invoice, follow the steps below:

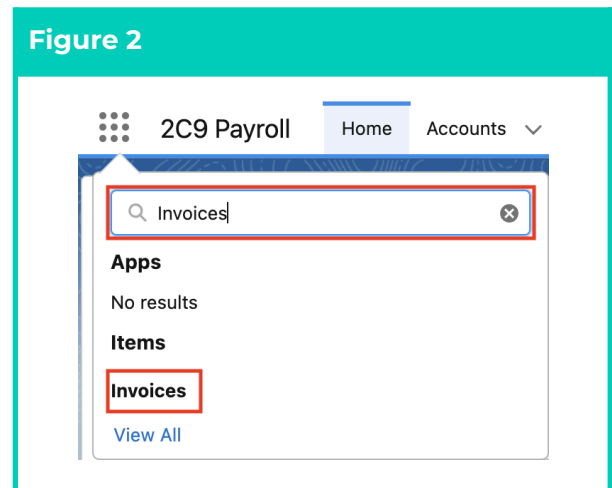

1. Click on the **App Launcher** icon (see Figure 1).

Figure 1

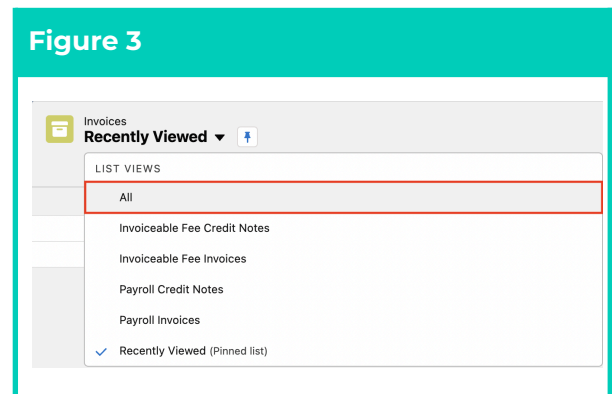

2. Go to the **Invoices** object by using the Search function (see Figure 2).

Figure 2

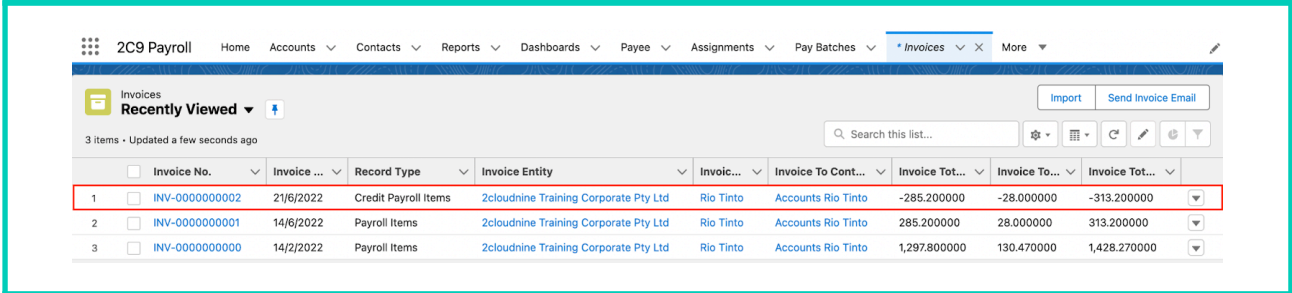

3. From the displayed List View, if required, click on the down arrow and select a relevant List View (see Figure 3).

Figure 3

4. Open the required Credit Note record (see Figure 4).

Figure 4

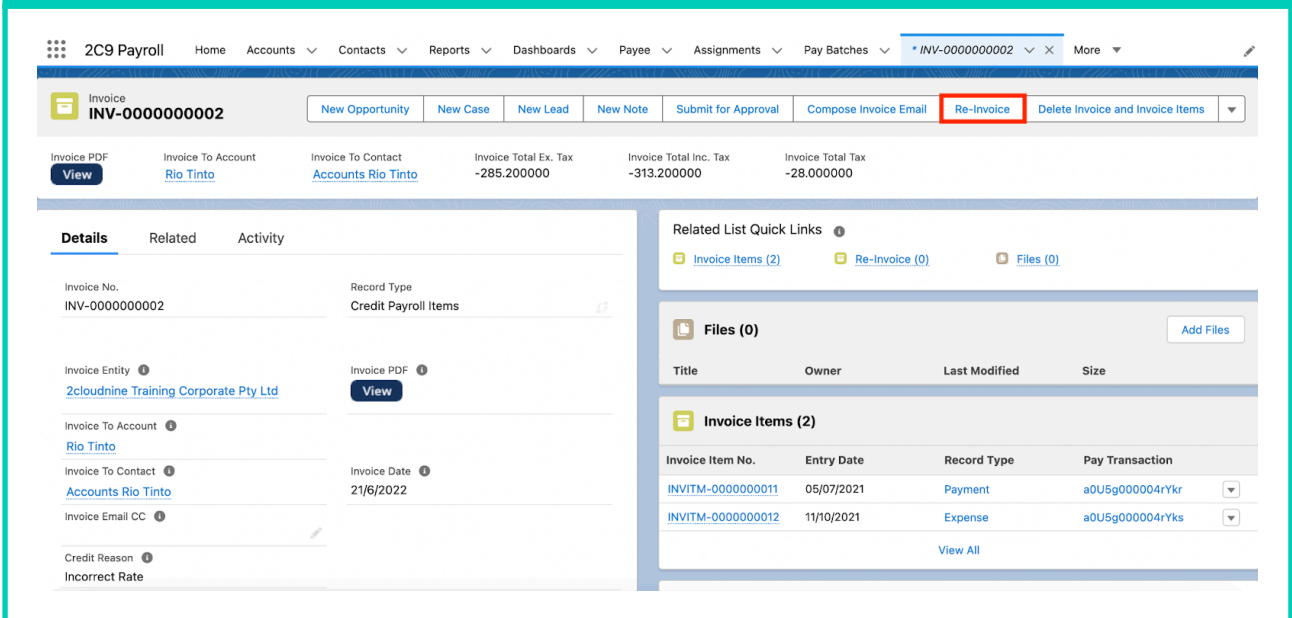

The screenshot shows the 'Invoices' section of the 2C9 Payroll system. A table lists three items. The first item is highlighted with a red border.

Figure 6

The screenshot shows the 'CREDIT RE-INVOICE' form. The 'Invoice Date' field is highlighted with a red border and contains the date '24 Jun 2022'.

CREDIT RE-INVOICE

Invoice Details:

- Credit Number: INV-0000000002
- Original Invoice: INV-0000000001
- Invoice Date: 24 Jun 2022
- Original Quantity: -9
- Original Total Invoice Ex. Tax: -285.2

Filter:

Employee: Loretta Berlinger

If there are multiple Employees listed on the Invoice, users can select Employees from the Available column to move to the Selected column, and filter the Pay Transactions displayed for ease of editing or deleting as required. When the Re-Invoice is created, it will be created for all Employees unless the Employee's Pay Transactions are deleted.

7. The full list of Pay Transactions within the Credit Note will be duplicated on the Re-invoice without the "-" before the Quantity. Users can change the Pay Code, the Quantity, and the Invoice Rate on each of the new Pay Transactions listed as required for the Re-Invoice.
8. Users can also remove a Pay Transaction by selecting the required individual checkboxes and then selecting the Remove Selected Transactions button (see Figure 7). This will remove the Pay Transaction from the Re-invoice page ONLY and won't delete it permanently.

11. You will then see a notification saying 'Success! Re-Invoice process completed successfully.' (see Figure 10).

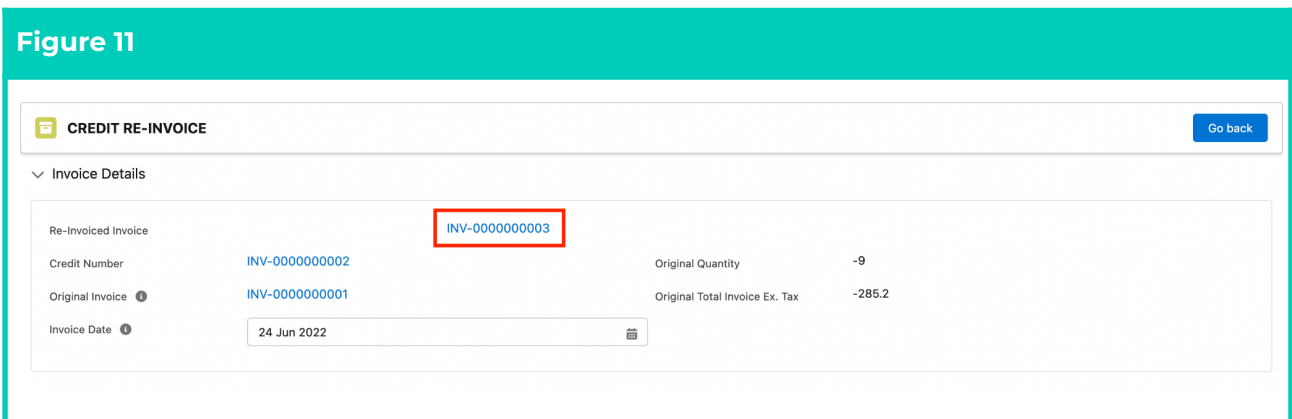

Figure 10

The screenshot shows a green notification bar with a checkmark icon. The text reads: 'Success! Re-Invoice process completed successfully. Please click the link INV-0000000003 to navigate to the Re-Invoice record.' There is a close button (X) on the right.

12. Click on the Invoice link to open the new Re-Invoice record (see Figure 11).

Figure 11

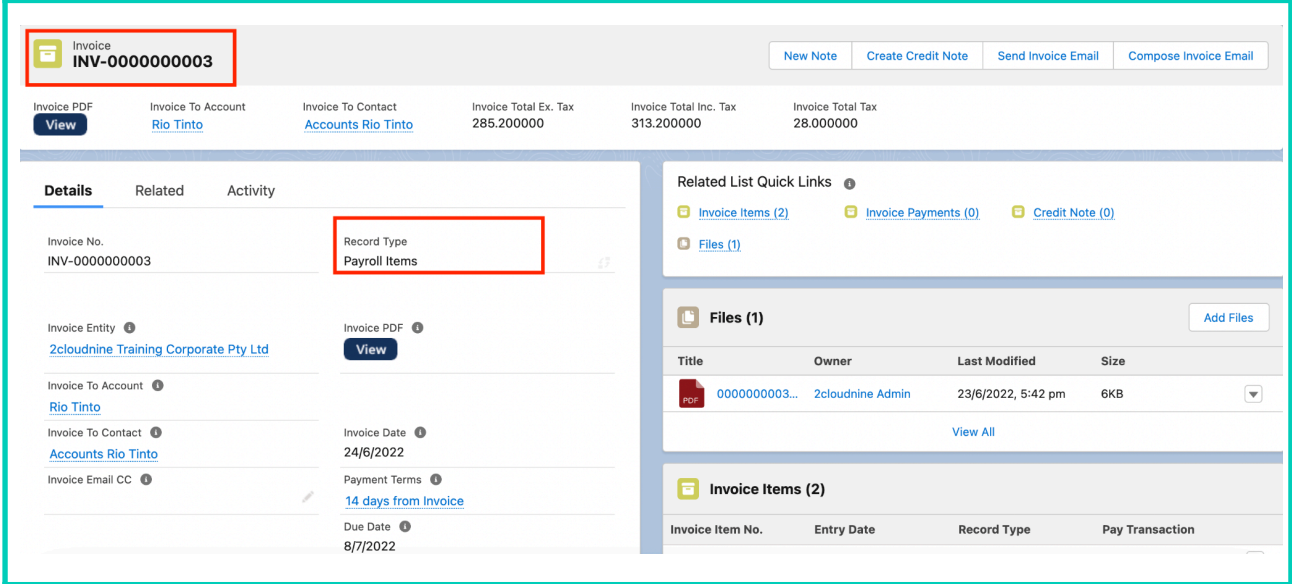

The screenshot shows the 'CREDIT RE-INVOICE' page. Under the 'Invoice Details' section, there is a table with the following information:

Re-Invoiced Invoice		INV-0000000003	
Credit Number	INV-0000000002	Original Quantity	-9
Original Invoice	INV-0000000001	Original Total Invoice Ex. Tax	-285.2
Invoice Date	24 Jun 2022		

The link 'INV-0000000003' is highlighted with a red box.

13. A new Invoice record has been created as a record type of Payroll Items or Invoiceable Fees depending on the Original Invoice and the Credit Note Record Types (see Figure 12).

Delete Re-Invoices

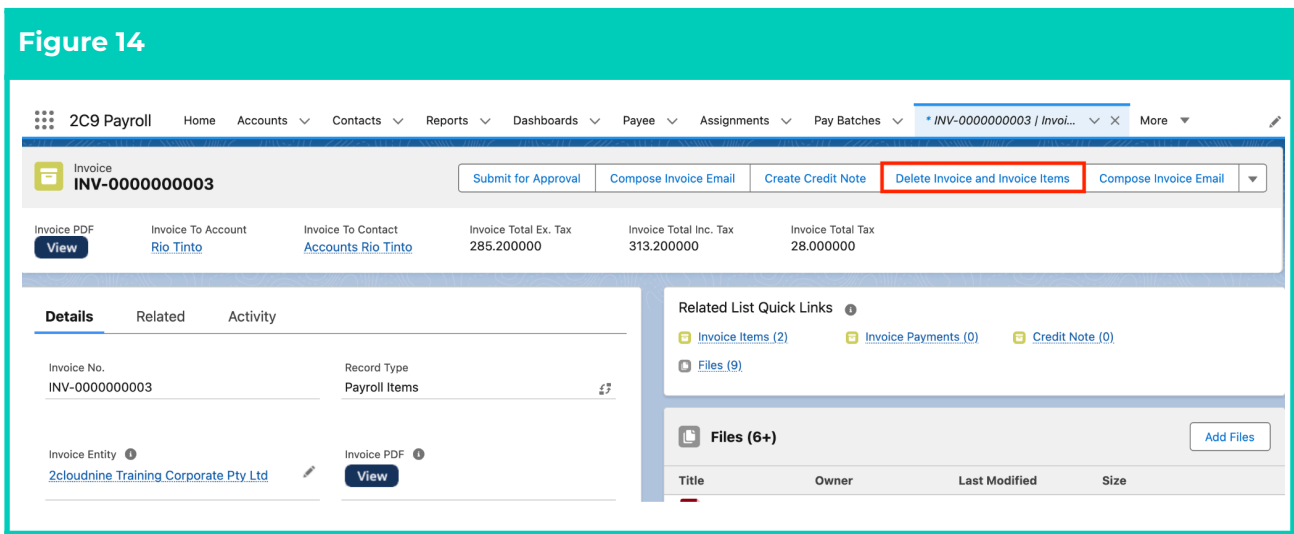

In some circumstances, the need to delete an Invoice is required, but this is only possible if the following criteria is met:

- The Invoice has not been sent to the Client; and
- The Invoice field "Invoice Payments Total" remains blank; and
- The Invoice has not been reflected in the GL Accounting Invoices.

If the above are all true, then the Invoice can be deleted by:

- Users selecting the **Delete Invoice and Invoice Items** button on the individual Invoice (see Figure 14).

Figure 14

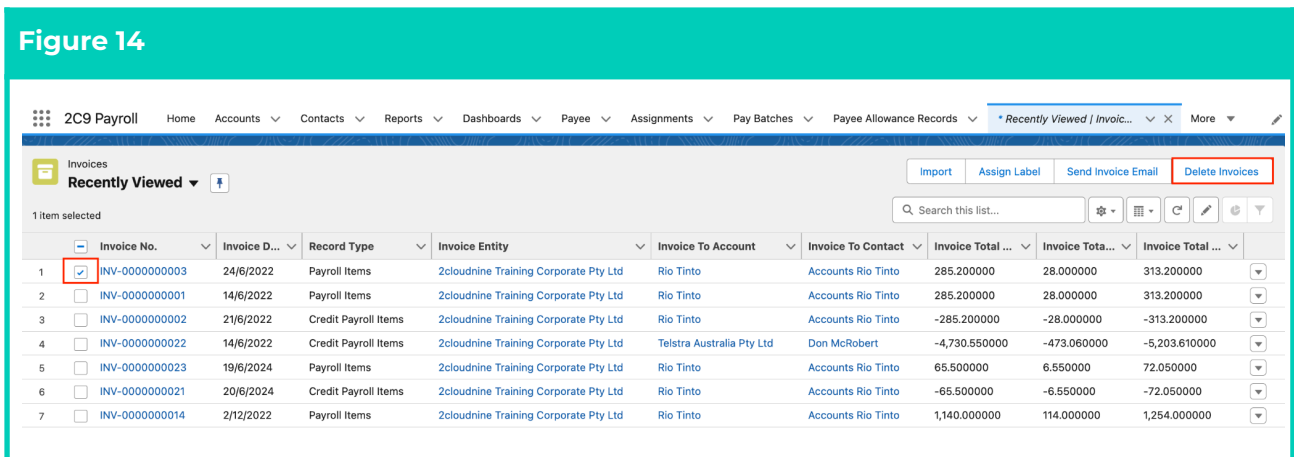

The screenshot shows the '2C9 Payroll' interface. At the top, there's a navigation bar with various menu items. Below it, the 'Invoice' section for 'INV-0000000003' is displayed. A row of buttons includes 'Submit for Approval', 'Compose Invoice Email', 'Create Credit Note', 'Delete Invoice and Invoice Items' (highlighted with a red box), and 'Compose Invoice Email'. Below the buttons, there are tabs for 'Details', 'Related', and 'Activity'. The 'Details' tab is active, showing 'Invoice No. INV-0000000003' and 'Record Type Payroll Items'. To the right, there's a 'Related List Quick Links' section with links for 'Invoice Items (2)', 'Invoice Payments (0)', and 'Credit Note (0)'. At the bottom, there's a 'Files (6+)' section with an 'Add Files' button.

OR

- Users selecting suitable Re-Invoices to be deleted from a List View and then clicking the **Delete Invoices** button (see Figure 14).

Figure 14

The screenshot shows the '2C9 Payroll' interface with the 'Invoices' section selected. The 'Recently Viewed' tab is active, displaying a list of invoices. The first row is selected, and the 'Delete Invoices' button is highlighted with a red box. The list view includes columns for 'Invoice No.', 'Invoice D...', 'Record Type', 'Invoice Entity', 'Invoice To Account', 'Invoice To Contact', 'Invoice Total ...', 'Invoice Tota...', and 'Invoice Total ...'. The data shows several invoices with their respective details.

If the Delete button will not proceed to completing the deletion of the Invoice(s), then Users will be required to proceed with creating a Credit Note, please refer to the QRG Creating Credit Notes.
