

Purpose

The purpose of this quick reference guide is to step through the process of creating an Employment Cost Exception record. The intended audience for this document is System Administrators / Standard Users.

Employment Cost Exceptions enable Users to exclude certain Pay Codes from having calculations of Employment Costs applied to them, such as Superannuation on Overtime Meal Allowances, when determining the required Invoice Rates.

Steps

Create an Employment Cost Exception

To create an Employment Cost Exception, follow the steps below:

1. Click on the **App Launcher** icon (see Figure 1).
2. Go to the **Pay Rate Loadings** object by using the Search function (see Figure 2).

Figure 1

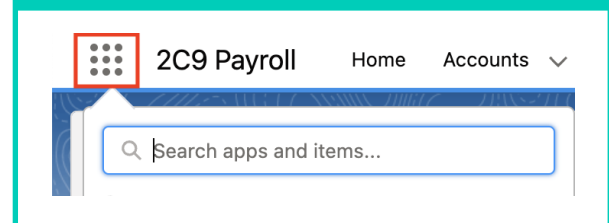

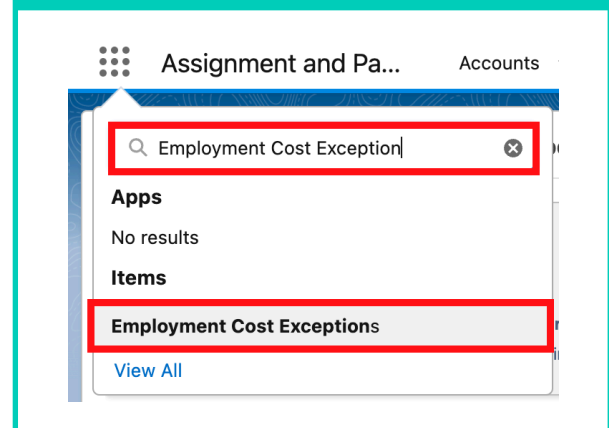

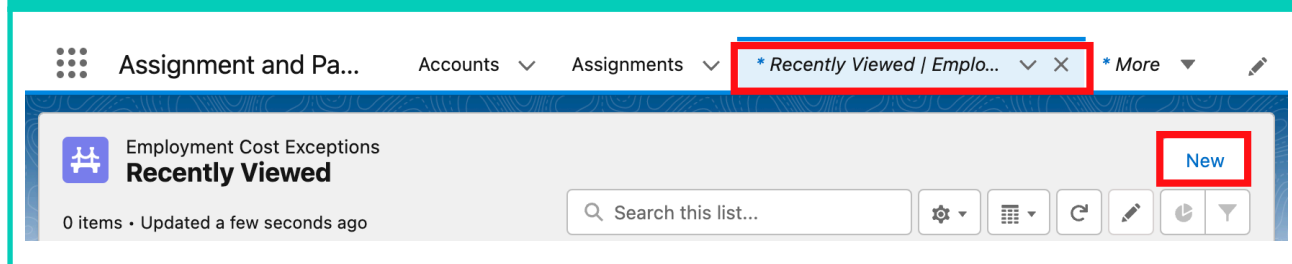

Figure 2

3. Click on the **New** button (see Figure 3).

Figure 3

4. Select from the available record types and click on the **Next** button (see Figure 4).
