

Purpose

The purpose of this quick reference guide details how to manage the entering of FBT (Fringe Benefit Tax). The intended audience for this document are System Administrators and Payroll Users.

The Manage FBT process has the ability to enter both Reportable FBT and also Non-Reportable FBT.

Steps

Enter FBT amounts

To enter an FBT amount, the following steps should be completed:

1. Click on the **App Launcher** icon. (See Figure 1)
2. Go to the **Reconciliation Manager** App by using the Search function. (See Figure 2)

Figure 1

Figure 2

3. Ensuring you have the Reconciliation Manager App selected (will be by default) in the sub-tabs, select **Manage FBT** to enter a new Reportable or Non-Reportable FBT amount. (See Figure 3)

Figure 3

4. Populate the following required fields to filter the records: (See Figure 4)
 - a. **Pay Code** (filters only Pay Codes with record type FBT)
 - b. **EFY 30 June Year**
5. Upon populating the above two fields, the Create button will automatically appear just below these fields.

Figure 4

The screenshot shows the 'Manage FBT' tab in the 'Reconciliation Manager' section. The 'Create' button is highlighted with a red box. Below it, the 'Pay Code' field is set to 'Reportable Fringe Benefits Tax' and the 'EFY 30 June Year' field is set to '2023'. Both fields are highlighted with red boxes. Below the fields, there is a table with columns: Payee Name, Employee, Payment Entity, FBT Pay Code, FBT Year, FBT Opening Balance, FBT Payee Aggregate, and FBT Value. The first row of the table is highlighted with a red box.

6. Move the cursor over the first row under the **Payee Name** column. You will notice that the edit icon appears on the right hand side of the box. Click on the edit button. (See Figure 5)

Figure 5

The screenshot shows the 'Manage FBT' tab in the 'Reconciliation Manager' section. The 'Pay Code' field is set to 'Reportable Fringe Benefits Tax' and the 'EFY 30 June Year' field is set to '2023'. Below the fields, there is a table with columns: Payee Name, Employee, Payment Entity, FBT Pay Code, FBT Year, FBT Opening Balance, FBT Payee Aggregate, and FBT Value. The first row of the table is highlighted with a red box, and an edit icon (pencil) is visible on the right side of the 'Payee Name' cell.

The columns with white background are the only editable columns, whereas the darker background columns CAN NOT be edited.

- Enter the **Payee Name** or click on the **Search Payee** box and select the required Payee. (See Figure 6)

- Populate the **FBT Value** for the Pay Code selected above in Step 4 for this selected Payee and press Enter. (See Figure 8)

Figure 8

The screenshot shows the 'Create' tab of the FBT management interface. At the top, there are fields for 'Pay Code' (Reportable Fringe Benefits Tax) and 'Year' (2023). Below these is a table with columns: Payee Name, Employee, Payment Entity, FBT Pay Code, FBT Year, FBT Opening Balance, FBT Payee Aggregate, and FBT Value. The first row is populated with 'Payee-0000000000', 'Loretta Berlinger', '2cloudnine Training Corporation Pty Ltd', and '2000' in the FBT Value column. The 'Create' button is highlighted in blue.

- To clear all rows of data entered without the FBT Opening Balances or FBT Payee Aggregates created, you can click the **Clear** button anytime. Before deleting the records, it will have the following pop up confirming you would like to proceed, prior to them being deleted. (See Figure 9)

Figure 9

The screenshot shows a confirmation dialog box with the text: 'Data in the table will be cleared. Would you like to continue?. Please note: Rows with FBT Opening Balances and Aggregates will not be cleared.' There are 'Yes' and 'No' buttons at the bottom right.

- Users can continue to enter additional data for all the required Payees for the same FBT Pay Code entered above. Once all the FBT Values are entered, click the **Create** button. (See Figure 10)

Figure 10

The screenshot shows the same FBT management interface as Figure 8, but now the 'Create' button is highlighted in red. The FBT Value for the first row is now '2,000'.

12. A confirmation message appears indicating "Aggregate updated successfully". The columns FBT Pay Code, FBT Year, FBT Opening Balance and FBT Payee Aggregate populate automatically. (See Figure 11)
13. The FBT Payee Opening Balance record displays under the FBT Opening Balance column and the FBT Payee Aggregate record also displays under the FBT Payee Aggregate column. Both these newly created records will be linked to the most recent Finalised Payee Pay Batch record automatically. (See Figure 11)
14. Repeat steps 6 to 12 to enter FBT Values for as many additional Payees as needed. (See Figure 11)

Figure 11

The screenshot shows the 'Manage FBT' interface. At the top, a green success message states 'Success: Aggregate updated successfully'. Below this, there's a 'Create' button and a search bar. The main section contains a form for 'Pay Code' (Reportable Fringe Benefits Tax) and 'EFY 30 June Year' (2023). Below the form is a table with columns: Payee Name, Employee, Payment Entity, FBT Pay Code, FBT Year, FBT Opening Balance, FBT Payee Aggregate, and FBT Value. Two rows are visible, both highlighted with a red border. The first row has FBT Opening Balance POB-0000000018 and FBT Payee Aggregate PAG-0000003455. The second row has FBT Opening Balance POB-0000000019 and FBT Payee Aggregate PAG-0000003456.

Payee Name	Employee	Payment Entity	FBT Pay Code	FBT Year	FBT Opening Balance	FBT Payee Aggregate	FBT Value
Payee-0000000000	Loretta Berlinger	2cloudnine Training Corporation Pty Ltd	Reportable Fringe Benefits Tax	2023	POB-0000000018	PAG-0000003455	2,000
Payee-0000000004	Nathan Plose	2cloudnine Training Corporation Pty Ltd	Reportable Fringe Benefits Tax	2023	POB-0000000019	PAG-0000003456	1,200

15. To add extra rows for entering FBT amounts, click on the  dropdown arrow on the right hand side of any row and click **Add**, and to delete a single row, click **Delete** on a row without any FBT Opening Balance or FBT Payee Aggregate created yet. (See Figure 12)

Figure 12

The screenshot shows the 'Manage FBT' interface with the same table as Figure 11. The table now has 10 rows. The 'Add' and 'Delete' buttons are visible in the bottom right corner of the table, highlighted with a red border. The 'Add' button is a plus sign (+) and the 'Delete' button is a trash can icon.

Payee Name	Employee	Payment Entity	FBT Pay Code	FBT Year	FBT Opening Balance	FBT Payee Aggregate	FBT Value
Payee-0000000000	Loretta Berlinger	2cloudnine Training Corporation Pty Ltd	Reportable Fringe Benefits Tax	2023	POB-0000000018	PAG-0000003455	2,000
Payee-0000000004	Nathan Plose	2cloudnine Training Corporation Pty Ltd	Reportable Fringe Benefits Tax	2023	POB-0000000019	PAG-0000003456	1,200

The rows that have been entered and have Payee Opening Balances and Payee Aggregates created can not be deleted. The Delete button will not appear next to rows with completed data.

The rows with FBT values that have been entered and created will remain there for a day and will automatically clear the next day.

Search FBT amounts

To search an FBT amount, the following steps should be completed:

1. Go to the **Reconciliation Manager** App, **Reconciliation Manager** tab and then the **Manage FBT** sub-tab using the steps outlined on the first page. (See Figure 13)

Figure 13

The screenshot shows the 'Reconciliation Manager' app interface. The top navigation bar includes 'Reconciliation Manager', 'Reconciliations', 'Reconciliation Items', 'Payee', 'Accounts', 'Payee Aggregates', 'Payee Opening Balances', 'Reports', and 'Dashboards'. The 'Manage FBT' sub-tab is selected. Below the navigation bar, there are tabs for 'Reconciliation Details', 'Reconciliation History', 'Manage Variances', and 'Manage FBT'. The 'Manage FBT' tab is active. In the 'Create' section, the 'Search' button is highlighted. Below the search bar, there are input fields for 'EFY 30 June Year', 'Pay Code', 'Payment Entity', 'Employee', and 'Payee'. The 'Search' button is also highlighted in the bottom right corner of the search bar.

2. Populate the following required fields to filter the records: (See Figure 14)
 - a. **EFY 30 June Year**
3. Populate the following optional fields to further filter the results of records to display: (See Figure 14)
 - a. To filter the records to a specific Payment Entity, populate the optional field **Payment Entity**.
 - b. To filter the records to Reportable or Non-Reportable records, populate the optional field **Pay Code**.
 - c. To filter the records to a specific Employee, populate the optional field **Employee**.
 - d. To filter the records to a specific Payee, populate the optional field **Payee**.
4. Click the **Search** button.

Figure 14

The screenshot shows the 'Reconciliation Manager' app interface with the 'Manage FBT' sub-tab selected. The search filters are now populated: 'EFY 30 June Year' is set to '2023', 'Pay Code' is set to 'Reportable Fringe Benefits Tax', and 'Payment Entity' is set to '2cloudnine Training Corporation Pty Ltd'. The 'Search' button is highlighted in the bottom right corner of the search bar.

- The search results will display on the bottom of the page. Click on the **FBT Payee Aggregate** or the **FBT Opening Balance** record name to open the record and view all details. (See Figure 15)

Figure 15

The screenshot shows the 'Reconciliation Manager' interface with the 'Manage FBT' tab selected. The search filters are set to EFY 30 June, Year 2023, Pay Code Reportable Fringe Benefits Tax, Payment Entity 2cloudnine Training Corporation Pty Ltd, and Employee Search Contacts... The search results table is displayed below the filters.
