Alternatively, a Payment Terms record can be created using the corresponding Invoice Settings record's related list.

Payment Terms records **CANNOT** be deleted if they have related records or are used in other records. Deleting records is not recommended unless absolutely essential.

- To modify an existing **Payment Terms** record, open the required record and select the **Edit** button available on the top right side of the page. You can also double click in any of the fields that need editing or just click on the pencil icon  that appears within fields when you move your cursor over the field.
- When complete, click on the **Save** button.

Field Descriptions

Payment Terms Name is the name given to the new Payment Terms record and is then referenced in Invoice Setting Records. This will be displayed on the Invoice PDF.

Payment Terms Description records a detailed description of the Payment Terms to assist Users in selecting the correct Payment Terms. This will not be displayed on the Invoice PDF.

Due From defines if the Invoice Due Date should be calculated based on the Invoice Date or the Last Day of the Month. This is a picklist of either Invoice Date or Month End.

Days From defines the number of days to be applied to the Invoice Date/End of Month when calculating the Invoice Due Date. Enter the number to be combined with the Due From field to auto calculate the Due Date.
