

Define Payee Opening Balances - Leave

Purpose

The purpose of this quick reference guide is to step through the process of defining the Payee Opening Balances. The intended audience for this document is Standard Users.

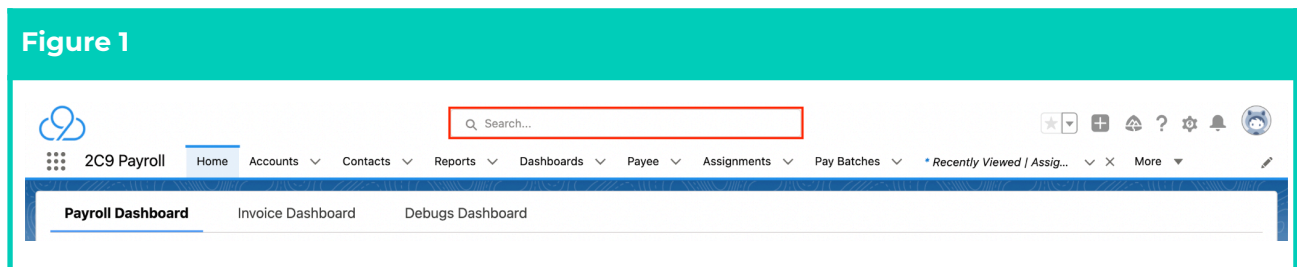

Steps

Create Payee Opening Balances - Leave

To create a Payee Opening Balance record:

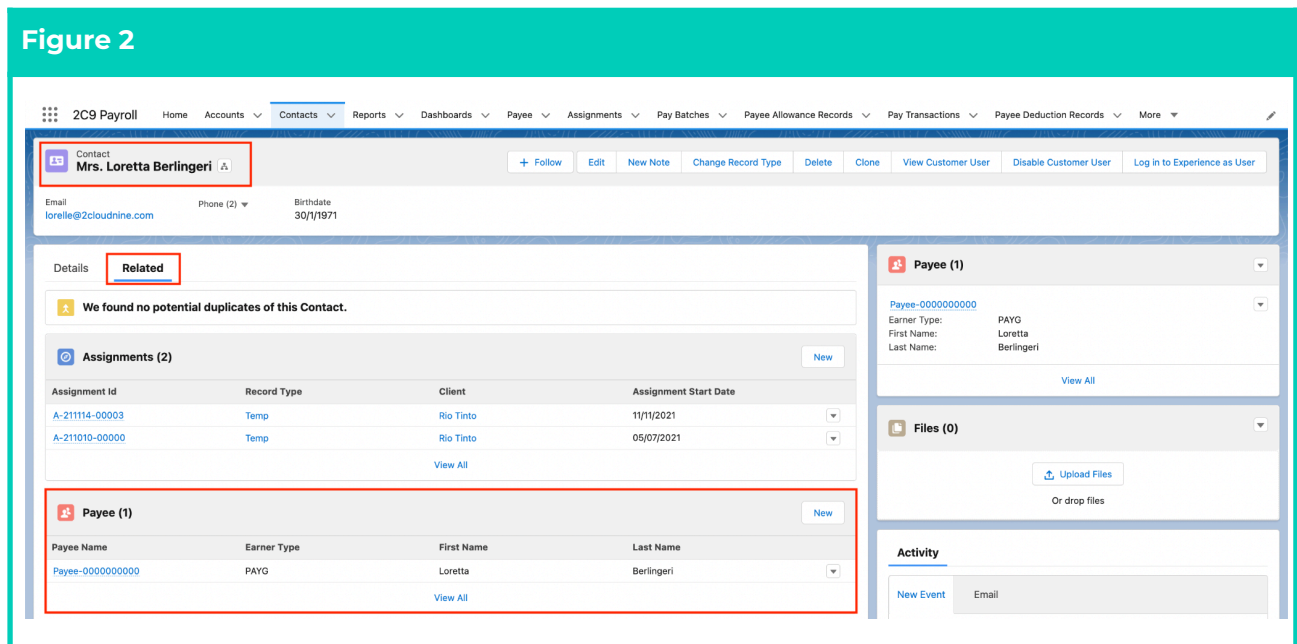

1. Go to the **Payee** record.
 - a. To identify a Payee record from an Employee record, enter the Employee name into the **Global Search** (see Figure 1).
 - b. Select the **Employee** record from the suggestions provided.

Figure 1

- c. Open the **Related** tab (see Figure 2).
- d. Identify the **Payee** related list.
- e. Select the **Payee** record.

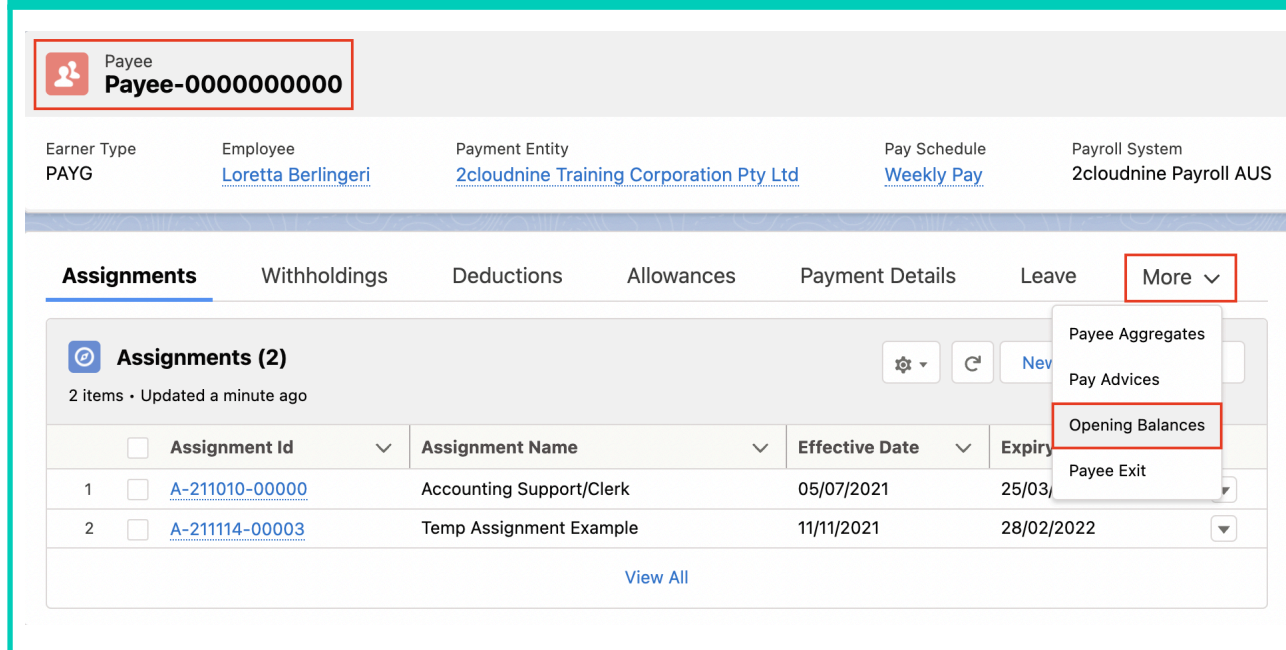

Figure 2

Define Payee Opening Balances - Leave

2. Within the Payee record, click on the **More** button (see Figure 3).
3. Click on **Opening Balances**.

7. Populate the following required fields to provide the base details of the Payee Opening Balance record: (see Figure 6)
 - a. **Payee**
 - b. **Employee**
 - c. **Effective Date**
 - d. **Status**
 - e. **Leave Rule**
 - f. **Payee Leave Rule**
 - g. **Leave Balance Units**

Define Payee Opening Balances - Leave

Important Notes

(Page 3)

The Status must be entered as Confirmed, which creates a Pay Batch Event and automatically populates the fields of Pay Batch Event and Pay Batch Event Processing Status upon saving this Record. Ensure that the Payee Opening Balance records are processed in a Pay Batch so that they are included in the Payee Aggregate Records.

The correct Effective Date must be populated, otherwise, it can't be picked up in a Pay Batch to be included in the Leave Balance for an Employee.

- Click on the **Save** button.

Define Payee Opening Balances - Leave

- A new Payee Opening Balance Record has been created (see Figure 7).

Figure 7

The screenshot shows the 'Payee Opening Balance' record for Adam Hocking. The record ID is POB-0000000004. The status is 'Confirmed', the effective date is 16/8/2021, and the record type is 'Leave'. The payee is 'Payee-0000000006'. The details section shows the record type 'Leave', owner '2cloudnine Admin', pay batch event 'PBE-0000000018', and pay batch event processing status 'New'. The payee pay batch processed is 'Payee Pay Batch Processed'. The history section shows three records: 1) Date: 13/12/2021, 5:57 pm, Field: Status, User: 2cloudnine Admin, Original Value: New, New Value: Confirmed; 2) Date: 13/12/2021, 5:57 pm, Field: Pay Batch Event, User: 2cloudnine Admin, Original Value: Pay Batch Event, New Value: PBE-0000000018; 3) Date: 13/12/2021, 2:26 pm, Field: Created, User: 2cloudnine Admin, Original Value: PBE-0000000018, New Value: PBE-0000000018.

Important Notes

(Figure 7)

If you try to delete a Payee Opening Balance that has been included in a Pay Batch, you will receive an error message 'ERROR: You cannot delete a Payee Opening Balance when it has been included in a Pay Batch.'

- To modify an existing **Payee Opening Balance** record, open the required record and select the **Edit** button available on the top right side of the page. You can also double-click in any of the fields that need editing, or just click on the pencil icon  that appears within fields when you move your cursor over the field.
- When complete, click on the **Save** button.

Define Payee Opening Balances - Leave

Field Descriptions

Field Name	Description
